## Bikes on Buses

All JeT buses have bike racks that hold up to two single-seat, two-wheeled, non-motorized bicycles. Regular fares apply for each passenger. Your bike rides FREE! Using the rack is easy. As the bus approaches, have your bike ready to load. Never approach the bus from the street. Stay on the curb. Remove any items that could fall off, like a water bottle or pannier. Tell the bus operator that you are loading a bike. Squeeze the handle and pull down to release the folded bike rack. Place your bike in the trough furthest from the bus with the front tire facing the clamping arm, toward the street. If the outside trough is full, load your bike into the trough closest to the bus. In this position, the front tire will face the curb. Raise the clamping arm as far up on the wheel as you can. **Before unloading, make sure to let the operator know you'll be removing your bike.** Lift up the clamping arm and remove your bike, folding up the rack if it's empty.

## Holiday Service

The Saturday schedule is operated on the following holidays: New Year's Day, Martin Luther King Jr. Day, Good Friday, July 4th, Labor Day, Thanksgiving and Christmas. A separate schedule will be announced and used during the carnival season (week preceding Mardi Gras day). Routes without Saturday service do not operate on holidays.

## Bicicletas en Autobuses

Todos los autobuses de JeT tienen portabicicletas que admiten hasta dos bicicletas no motorizadas de dos ruedas y un solo asiento. Se aplican tarifas regulares para cada pasajero. ¡Tu bicicleta viaja GRATIS! Usar la rejilla es fácil. A medida que se acerca el autobús, tenga su bicicleta lista para cargar. Nunca se acerque al autobús desde la calle. Permanezca en la acera. Retire cualquier artículo que pueda caerse, como una botella de agua o una alforja. Dígame al operador del autobús que está cargando una bicicleta. Apriete el asa y tire hacia abajo para liberar el portabicicletas plegado. Coloque su bicicleta en el canal más alejado del autobús con la llanta delantera mirando hacia el brazo de sujeción, hacia la calle. Si el compartimento exterior está lleno, cargue su bicicleta en el compartimento más cercano al autobús. En esta posición, el neumático delantero se enfrentará al bordillo. Levante el brazo de sujeción lo más que pueda en la rueda. Antes de descargar, asegúrese de informar al operador que va a retirar su bicicleta. Levante el brazo de sujeción y retire la bicicleta, doblando el portabicicletas si está vacío.

## It Pays to Ride JeT

*Would you like to save money on the cost of your daily commute?*

Jefferson Transit offers monthly passes, and under federal law employers can provide these passes as a benefit that saves real money for both employees and employers.

Workers receive one of the following:

- Monthly funds in employer-paid tax-free transit costs
- A tax-sheltered payroll deduction for transit costs
- Funds in a combination of both the above

The JeT VIP Monthly Pass allows unlimited rides and transfers on all JeT routes for the calendar month. Also, since it only costs \$60 you can use the tax incentives to purchase a RTA monthly pass in addition to the JeT VIP Monthly Pass, and easily transfer between the two public transit systems. If you would like us to contact your employer about these tax benefits please call 504-364-3450 or email [information@jeffersontransit.org](mailto:information@jeffersontransit.org) For more information visit our website at [jeffersontransit.org](http://jeffersontransit.org)
